

Project Lakshya – PPE Launch

Introducing Lakshya Project's Cutting-Edge PPE Set: Elevating Safety Standards

Last Updated on: -

September 15, 2023

Brief details

We are thrilled to introduce the Lakshya Project's state-of-the-art Personal Protective Equipment (PPE) set, a groundbreaking development aimed at raising safety standards for our team.

This cutting-edge PPE is designed to provide our personnel with the highest level of protection while ensuring optimal comfort and functionality. With safety as our top priority, we are committed to equipping our team with the best tools available to carry out their responsibilities with confidence and security.
