

## Orientation and Technical Training

Safety Awareness training was conducted at Ankleshwar asset by our Safety Engineer.

Last Updated on:-

July 18<sup>th</sup> ,2024

### Brief details:

An awareness training session was conducted for contractor manpower following a workplace accident at ONGC's Ankleshwar asset, where a worker sustained a finger injury. The incident was reported by the Safety Engineer.

The details of the training sessions are as follows: -

Topic	Date
Safety Awareness Training	17 <sup>th</sup> July,2024

The meticulous training program rigorously followed ONGC's exacting standards, ensuring the selection of highly proficient safety personnel.

### Images from training:

This accomplishment shows that we are making progress in training skilled workers who will help make Lakshya successful.
