

Orientation and Technical Training

Safety Awareness training was conducted at Tripura asset by our Safety officer.

Last Updated on:-

August 8th,2024

Brief details:

A safety awareness training session was successfully conducted at two key locations: M/s Maltitex at Konaban GCS and ONGC Onshore – Tripura Asset. The session, led by our safety officer from the ISO department, focused on imparting critical safety guidelines to enhance overall workplace safety

The details of the training sessions are as follows: -

Topic	Date
Safety Awareness Training	7 th August,2024

The meticulous training program rigorously followed ONGC's exacting standards, ensuring the selection of highly proficient safety personnel.

Images from training:

This accomplishment shows that we are making progress in training skilled workers who will help make Lakshya successful.
