

Orientation and Technical Training

Our safety officer conducted a Mock drill Training at Ankleshwar Asset.

Last Updated on:-

November 29th, 2024

Brief details:

A mock drill was conducted at the Ankleshwar Asset to simulate a fall from height incident, focusing on assessing the emergency response, rescue operations, and safety protocols. The exercise aimed to evaluate the effectiveness of the response team in handling such critical situations and ensuring safety measures are followed.

The details of the training sessions are as follows: -

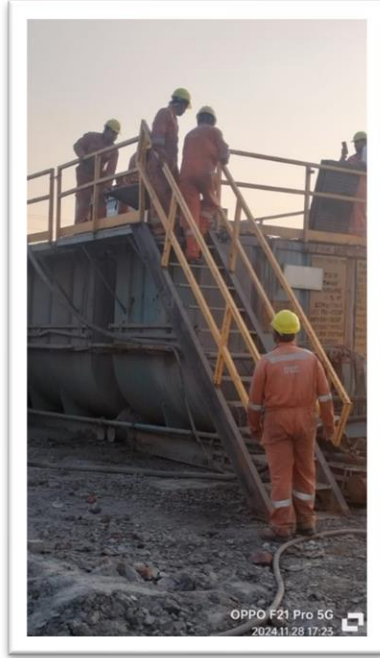

Trainings Provided	Date
Mock drill	November 28, 2024

The meticulous training program impeccably aligned with ONGC's rigorous standards, ensuring the selection of highly competent safety personnel.
