

## Post Mobilization Technical Support

Training conducted with ONGC Onshore – Ahmedabad Asset employees for improvement of safety culture at site.

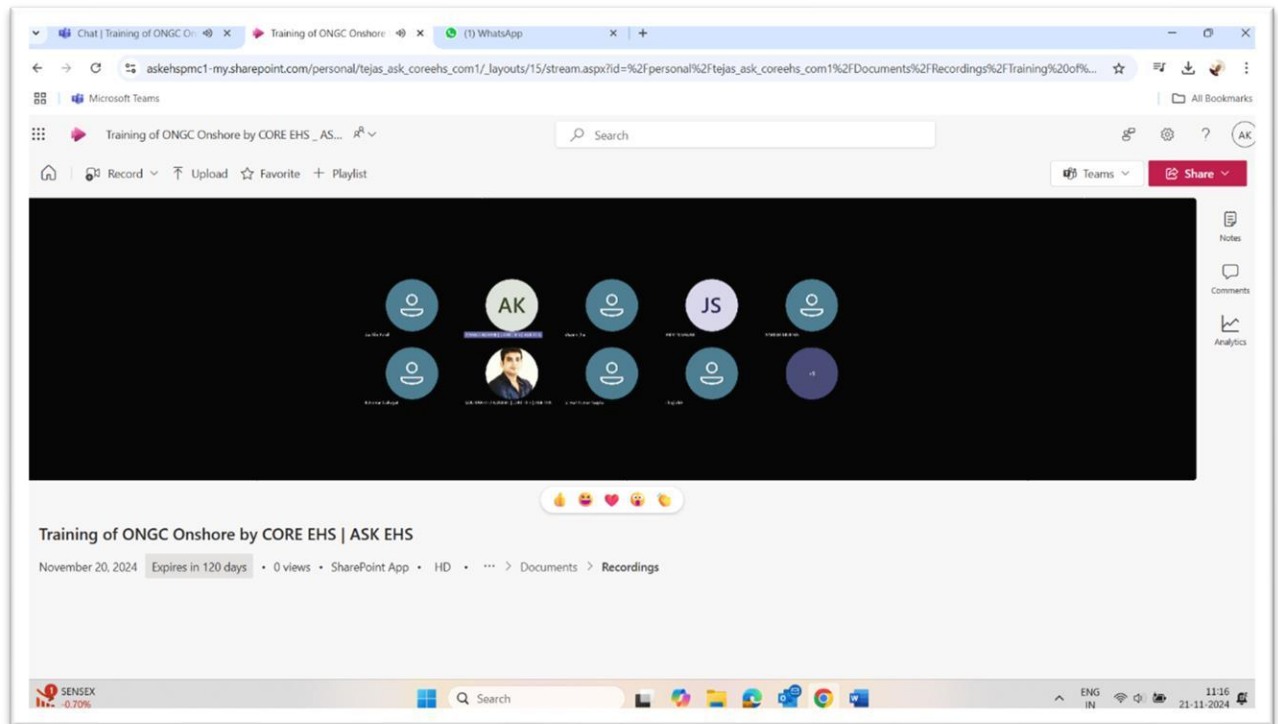

Last Updated on:-

November 28<sup>th</sup>, 2024

### Brief details:

The meeting aimed to emphasize consistent practices in report submissions, improve coordination for on-site roles, and evaluate recent observations. Focus areas included leveraging leading metrics to support a stronger safety culture, identifying preventative strategies, and tackling ongoing challenges collectively. Discussions also underscored the need for prompt follow-up on noted observations, better documentation of training activities, and ongoing communication between key personnel to achieve alignment across different teams and assets.

### Images:

This accomplishment represents a major step toward developing a capable workforce ready to greatly influence the successful implementation of Lakshya.
