

## Post Mobilization Technical Support

### Refresher Training of ONGC Onshore Employees

Last Updated on:-

November 28<sup>th</sup>, 2024

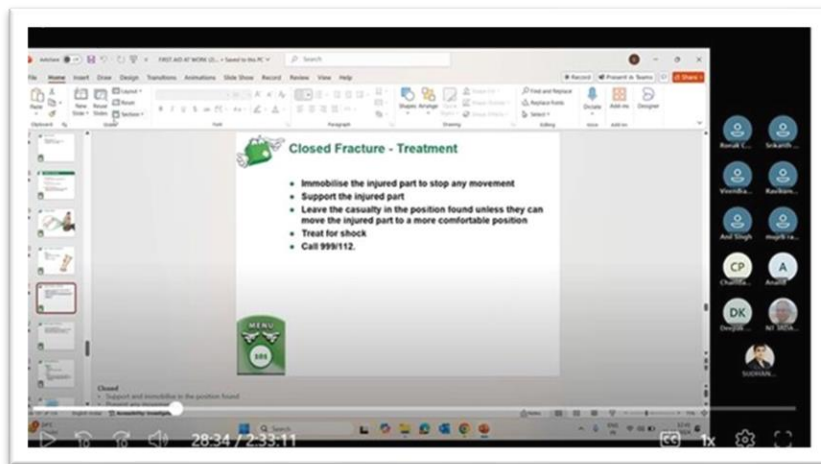

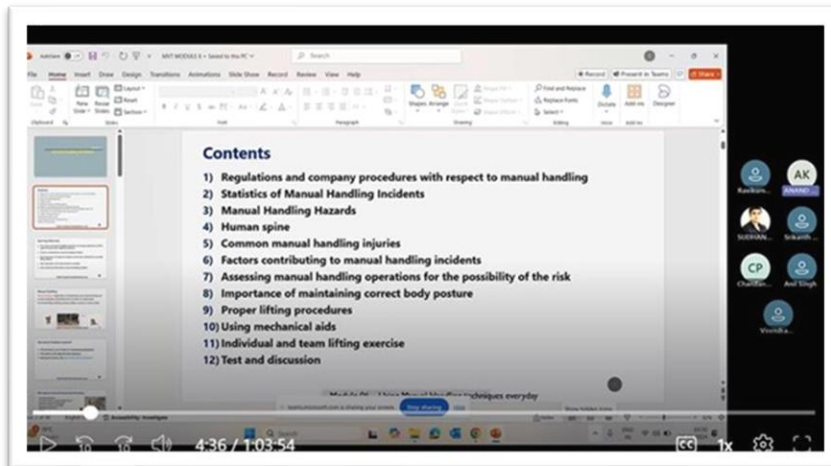

#### Brief details:

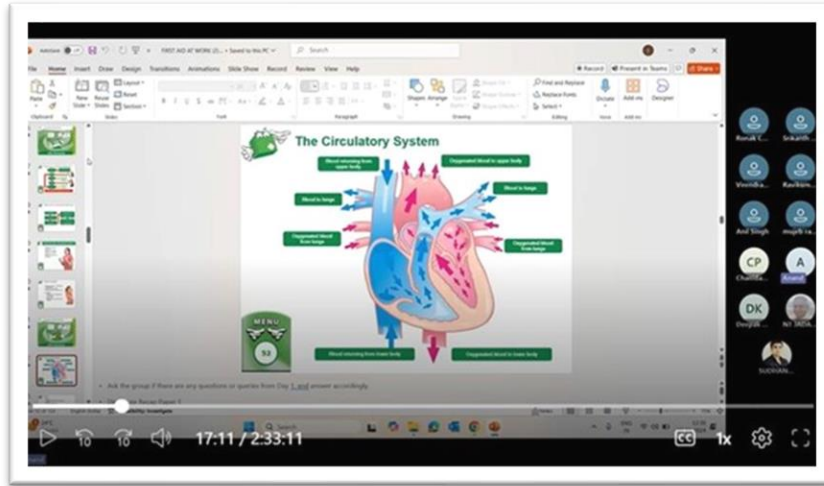

Refresher Training was scheduled for AECPL deployed safety officers on various important topics on 22<sup>nd</sup>, 23<sup>rd</sup> & 24<sup>th</sup> November 2024, the details of which are as follows:-

#### Topics discussed in the training

Mines Vocational Training and Firefighting & First Aid Training sessions were conducted on MS Teams for ONGC Onshore employees as part of their upskilling initiatives. These virtual training programs aimed to enhance the employees' technical and safety skills, ensuring they are better equipped to handle challenges in their respective roles. The training covered essential aspects of mining operations, firefighting techniques, and first aid procedures, promoting workplace safety and operational efficiency. This initiative underscores ONGC's commitment to continuous employee development and ensuring a high standard of safety at the workplace.
