54th National Safety Day Celebration at ONGC Offshore.

Last Updated on:-

March 21th, 2025

Brief details:

54th National Safety Day Celebration at RIG (Drilling Services)– ONGC Offshore.

- The crew was educated and made aware of the significance of National Safety Day.
- The crew was informed about the foundation of the National Safety Council, which was established on March 4, 1966.
- The importance of the National Safety Council and its role in promoting occupational health and safety was discussed.
- Recent trends regarding unsafe acts and unsafe conditions in the workplace were addressed, with a focus on improving safety awareness.
- The crew was educated on the importance of Personal Protective Equipment (PPE) to ensure workplace safety.
- A Quiz Competition was organized to engage the crew and test their knowledge about safety protocols.

In addition, the crew prepared **safety posters** and **safety slogan posters** to further raise awareness about safety practices.

The event was led, Installation Safety Officer of **CORE-EHS Solutions Pvt. Ltd.**
