

Orientation and Technical Training

Our safety Awareness conducted a safety awareness Training at Tripura asset.

Last Updated on:-

March 06th, 2025

Brief details:

A comprehensive Safety Awareness and Training program was conducted at the ONGC Tripura Asset, in observance of the 54th National Safety Day. The session focused on critical safety aspects, including Confined Space Entry, Work at Height, Permit to Work (PTW) System, Full Body Harness usage, Work Permit System, and LFI.

Total participants: 15 employees from the ONGC Tripura Asset

Installation Safety Officer (CORE-EHS), Installation at ONGC Tripura Asset, led the training session, ensuring a comprehensive understanding of safety protocols and practices among all participants.

The session underscored the importance of continuous safety awareness and training in ensuring a safe and risk-free working environment, aligning with ONGC's commitment to safety and health standards.

The details of the training sessions are as follows: -

Trainings Provided	Date
safety awareness training	05 th , March 2025

The meticulous training program impeccably aligned with ONGC's rigorous standards, ensuring the selection of highly competent safety personnel.
