### Brief details:

A Safety Awareness & Safety Quiz was conducted at the ADB GCS worksite, ONGC Tripura Asset, on the occasion of the 54th National Safety Day. The event was led by Installation Safety Officer at CORE EHS.

The session aimed to raise awareness about safety protocols and practices on the worksite while engaging participants through an informative and interactive quiz. Safety officer emphasized the importance of adhering to safety measures to ensure the well-being of all personnel and to minimize workplace accidents.

The event was part of a broader initiative to promote a culture of safety and vigilance across all operations at the ONGC Tripura Asset, in line with National Safety Day's mission to highlight safety practices and prevent accidents in industrial environments.

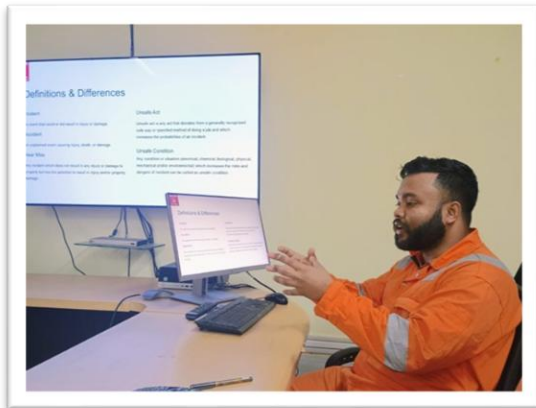

The details of the training sessions are as follows: -
