

Orientation and Technical Training

Our safety officer conducted a safety awareness Training at Tripura asset.

Last Updated on:-

March 13th, 2025

Brief details:

A Safety Awareness Session & Safety Quiz was organized at the Baramura GCS worksite, ONGC Tripura Asset, in celebration of the 54th National Safety Day. The event was led by Installation Safety Officer from CORE EHS.

The primary objective of the event was to enhance safety awareness among the workforce and encourage active participation through a safety quiz. Safety officer highlighted the critical importance of following safety protocols to protect the health and safety of all personnel, ensuring a safe working environment.

This initiative was part of ONGC Tripura Asset's ongoing efforts to foster a strong safety culture, in alignment with the principles of National Safety Day, focusing on the prevention of accidents and the promotion of safe work practices.

The details of the training sessions are as follows: -

Trainings Provided	Date
safety awareness training	06 th , March 2025

The meticulous training program impeccably aligned with ONGC's rigorous standards, ensuring the selection of highly competent safety personnel.
