SCABA Operating Procedure Training at ONGC Rajahmundry Asset

Last Updated on:-

Apr 22 th, 2025

Brief details:

Training on SCABA Operating Procedure was conducted on **22/04/2025** at **ONGC Rajahmundry Asset** by **Mr. Dabbiru Hardhik Patnaik, Installation Safety Officer, CORE-EHS Solutions Pvt. Ltd.** The training aimed to familiarize participants with the correct operation, inspection, and maintenance of SCABA equipment.

The session covered key aspects such as donning and doffing procedures, safety checks, breathing techniques, emergency usage, and limitations of SCABA. Practical demonstrations were conducted to enhance understanding and ensure personnel could confidently use the equipment during emergency situations. The training reinforced safety awareness and preparedness in hazardous environments.
